

Decision support tools make it **easier** to find the right dentist.

Brighter Score® feature – derived from factors of affordability (for DPPO plans), patient experience and professional history.* Includes the ability to read verified patient reviews.

Online appointment scheduling (for dentists and dental specialists* who offer this service).

Transparent pricing – estimated costs are customized for your plan.*

*Example used for illustrative purposes only. Actual features may vary by dentist and Cigna Dental plan type. These and other dentist directory features are for educational purposes only and should not be the sole basis for decision making. They are not a guarantee of the quality of care that will be delivered to individual customers. Customers are encouraged to consider all relevant factors and to speak with their treating dentist when choosing where to receive dental care.

Get to know a dentist – before you even visit.

The screenshot shows a Cigna website profile for Dr. Alexandra E. Smith, DDS. The profile includes a photo, a 'Brighter SCORE' of 9.9/10, and sections for Professional History (10 years experience), Patient Experience (9.8/10), and Affordability (Great prices). It also lists office information, specialties, and languages spoken. A map shows the office location at Metro Dental Center in Naperville, IL. The page is designed to provide comprehensive information about the dentist and their office before a visit.

Information about dentist, including professional experience and associations.

Location information with maps and contact information.

If provided by the dentist, detailed information about office, including videos, photos, amenities and technology.

Easy access. These features are available anytime, just about anywhere, 24/7 access on the go - on mobile phones or tablets.*
